In addition, The Computing Center is proud to be a Silver Sponsor for the SPCA of Tompkins County 2013 March for the Animals this September!

The March for the Animals is the SPCA's biggest fundraising event of the year. The money raised goes towards the medical care of the nearly 3,000 animals who pass through their doors every year!

In 2001 the SPCA of Tompkins County became the first "no-kill" open admission shelter in the country and has been committed to saving the lives of every adoptable animal ever since.

**The March for the Animals will be held on
Saturday,
September 28, 2013
at the
F. R. Newman Arboretum,
Cornell Plantations**
