Related Categories: Entrepreneurialism, General Info

What did our readers read in 2012? We did a review of all the articles published in our monthly Computing Center eNewsletter as well as everything posted on the Business EDGE News site on the web. Here's a list of the top five articles viewed in both which is a compilation of our web and email management stats. Thank you for reading! We're always looking for good story ideas for us to research and good articles to publish. Send your story ideas and articles to:[**Lisa@compcenter.com**](mailto:Lisa@compcenter.com)
